## APPLICANT INFORMATION PACKAGE

Please read all this material carefully to successfully complete the PASS process and be eligible for employment as a law enforcement officer in the participating agencies of Pinellas County, Florida

The Police Applicant Screening Service (PASS) is operated by the law enforcement agencies of Pinellas County, Florida to provide candidate evaluation and background investigations for participating employers. Successful completion of the PASS process places applicants within an active pool of eligible candidates for one year, during which time they may be called for employment interviews by these agencies. PASS is not an employer and participation does not guarantee that an applicant will receive an employment interview and/or employment offer. Individual agencies will conduct additional screening steps (such as medical examinations) to establish eligibility under their own employment requirements. Successful completion of PASS is also required for entry into the Police Academy at St. Petersburg College. *All applicants are considered without regard to race, color, marital status, religion, national origin, gender, veteran status, age disability, sexual orientation, or any other protected status.*

### REGISTRATION FEE

Applicants must pay a non-refundable fee that represents a small portion of actual processing costs.

**Amount:** \$250.00 (includes the cost of Polygraph exam)

**Re-Application/Update Fee:** \$200.00 (3 year time span)

**Due:** At time of registration for the screening process.

**Payment: Money Order Only** – Please make money order payable to: **Pinellas Police Standards Council**

## SCREENING PROCEDURES

### TIME IS IMPORTANT

By design, the PASS process is a very extensive and exhaustive background investigation. The PASS staff will make every effort to expedite your case, but your cooperation is essential. For instance, submitting an incomplete Personal History Statement will substantially slow and possibly eliminate your eligibility for successful completion. The demand for PASS services is substantial and to help allocate resources efficiently, inactive files will be closed and may require an administrative fee to re-open. This will include cases where the applicant fails to attend an appointment without calling in advance to cancel or reschedule or other cases where there is an unexplained lack of response on the part of the applicant.

### STEP ONE:

**Registration and payment of the required fee:** Applicants must register in person by presenting a government issued identification bearing a photograph (such as a driver license or passport), pay the **registration fee by money order (ONLY)**, acknowledge that they have read this Applicant Information Package, and complete a brief questionnaire to determine eligibility for processing (please refer to the next page to learn about PASS processing eligibility categories).

Applicants will be assigned an Administrative Interview date and a Polygraph Exam date. Although time sensitive, PASS staff will make every effort to work with Applicants to accommodate potential scheduling conflicts. Assigned PASS dates are considered finalized unless an emergency arises. Applicants are required to make immediate contact with their assigned investigator should an issue occur negating adherence to the specified timeline. The assigned investigator shall work with the applicant to resolve any potential conflicts.

- Registration hours are Monday-Friday 7:30 a.m. to 3:00 p.m.
- To expedite the registration process, we recommend applicants call ahead to schedule an appointment date/time to reduce possible waiting time.
- Please contact by phone at 727-864-3822 Ext. 1 or email [ryan.jamiemarie@spcollege.edu](mailto:ryan.jamiemarie@spcollege.edu) with **Jamie Ryan** to confirm an appointment. Confirmation are only done via email.

### STEP TWO:

**Fingerprints:** PASS provides a fingerprint sheet that has to be sent to the **Pinellas County Sheriff's Office** (Map and directions will be provided at registration).

**Basic Abilities Test (BAT):** Applicants are required to take and pass this exam prior to the law enforcement academy entrance. As part of the PASS Process, Applicants are required to take and pass this exam to successfully complete the PASS Background Investigation and gain PASS POOL status. If an Applicant has already taken/passed the BAT (within a four-year time period - confirmed through ATMS), they are excluded from this requirement. Additionally, PASS Applicants maintaining active Florida Law Enforcement Certification or having successfully completed an FDLE approved EOT/Florida Re-Certification verification are by PPSC Standards excluded (waived) from taking the BAT as a requirement of the PASS Process. However, Council affiliated agencies retain the authority to require any one or all of these testing procedures to be performed as part of their individual agency employment.

**BAT Testing Site:** The St. Petersburg College Allstate Center offers the BAT and Applicants should directly contact the college at 727-641-7263 or 727-341-4760.

## SCREENING PROCEDURES

### STEP THREE:

**Personal History Statement (PHS):** PASS utilizes POBITS (Peace Officer Background Investigative Tracking System) for applicant personal history information. POBITS is a web-base program that requires applicants to have access to a computer terminal and internet. Applicants will be provided admission to POBITS at the time of PASS registration. The staff member performing registration process will provide guidance and instructions for the use of POBITS and the applicant will be given 10 days for the completion of the PHS.

\*Deliberate misstatements and/or omissions can and often result in your application being terminated, regardless of the nature or reason for the misstatements/omissions. In fact, the number one reason individuals “fail” a law enforcement background investigation is because they deliberately withhold or misrepresent employment-relevant information from their prospective employer.

### STEP FOUR:

**Administrative Interview:** *Applicants must provide all required documents (see list on Page 6 and only original or certified copies will be accepted) by the Administrative Interview date.* Additionally, applicants are encouraged to dress in business attire as their file photograph will also be taken.

**Writing Sample:** Applicants must write a brief un-graded essay on an assigned topic. PASS applicants maintaining active Florida Law Enforcement Certification or having successfully completed an FDLE approved EOT/Florida Re-Certification verification are by PPSC Standards excluded (waived) as a requirement of the PASS Process. However, Council affiliated agencies retain the authority to require any one or all of these testing procedures to be performed as part of their individual agency employment.

### STEP FIVE:

**Polygraph or Other Examination:** All PASS candidates shall be administered a polygraph exam by a qualified polygraphist dictated by the PPSC. The initial polygraph exam cost is included within the PASS Process. \*See Polygraph Procedures for additional information.

### STEP SIX:

**Background Investigation:** The background of eligible applicants is investigated in detail. This is the most time consuming part of the process and usually takes several weeks. The polygraph exam and any associated material shall be completed prior to the PASS Administrative Case Review.

### STEP SEVEN:

**Entry into Candidate Pool:** Applicants who successfully complete all steps of the process will be placed in the Candidate Pool for one year from the date of file approval/completion. Participating agencies may call upon pool applicants for interviews, medical or other screening procedures. Candidates in the pool are also eligible to enter the St. Petersburg College Law Enforcement and/or Corrections Academy. After expiration from the pool, files may be re-opened at the request of a participating law enforcement agency.

\***POOL CANDIDACY EXPIRATION:** Applicants may request a PASS UPDATE (discount fee assessed) within three years of their original PASS POOL expiration date. Upon successful completion of the PASS UPDATE, applicants will be placed back into the PASS POOL for an additional year.
